Dear Applicant or Attorney of Record:

In response to your request for a corrected filing receipt, we are unable to comply with your request because:

- (4) Prior to issuance of the official filing receipt, amendments regarding cancelling claims are considered only if they reduce the filing fee, unless filed under rule 1.60. Amendments adding claims are never considered at this point of processing. The preliminary amendment will be entered prior to the patent examiner's first office action. No correction to the filing receipt is warranted.
- () The total number of claims appearing on the Official Filing Receipt does not include multiple claims. The total fee appearing on the Official Filing Receipt includes the cost of multiple claims that are present at the time the application is filed.
- () Total claims in excess of twenty (20) and independent claims in excess of three (3) are picked up as 1 and 1 in Rule 1.62 applications when the transmittal does not state the amount of claims.
- () The filing receipt reflects the number of claims cited on the transmittal letter or other application papers.
